- Dutch (basics)
- Spanish (basics)

PERSONAL PROFILE

After a coding bootcamp at Le Wagon in 2021, I'm now for a junior full-stack web-developper position. I'm looking for a new opportunity to keep learning in this position and work on creative and innovative projects from the ground up. I would like to continue bringing my previous experience in consultancy into a new career.

WORK EXPERIENCE

DATA PROTECTION & SECURITY CONSULTANT

Business & Decision | Brussels | Sept 2018 – April 2021

- Ensure internal compliance with data protection regulations
- Contribute to security projects with a special focus on Identity & Access Management (asset management, business role modeling, user lifecycle)

EUROPEAN AFFAIRS ADVISER

Orange Group | Brussels | Sept 2016 – July 2018

- Monitor and assess regulations with regard to their impacts on the business

EDUCATION & CERTIFICATIONS

FULL-STACK WEB DEVELOPMENT BOOTCAMP

Le Wagon Brussels | 2021

ISO27001 LEAD IMPLEMENTER

PECB | 2019

MASTER'S DEGREES IN LAW
